

American Friend Request (AFR)

AN INVITATION TO INTERNATIONAL STUDENTS:

Would you like to be matched with an American Friend?

Following is an “American Friendship Request” form to complete and submit so you can be matched with an American friend. Each of our American friends has attended a training session that is designed to help us engage in friendship with you in a way that is sensitive to your culture.

Important Note: Our American friendship program includes Americans from many different ethnic groups but all are Americans who will be your friend and introduce you to the American culture, holidays and resources in the local community.

(Please print clearly, using a pen)
